Gentlemen:

We acknowledge receipt of your cable of March 22nd reading:

"Re invoice F13496 CD-BF November 27th 1953 enter in works order 30,000 original duplicate draftforms wire approximate delivery date Thanks"

and of your confirming letter of the same date.

Immediately on receiving your cable we entered, for prompt execution, your order for 30,000 Original and Duplicate drafts, the same in all respects as those which we had the pleasure of preparing for you in 1953.

On March 28th we cabled you our delivery promise as follows:

"Re your cable and letter of 22nd order entered expect to ship early May"

which we trust will meet your needs.

Our price for the above drafts is US$900.00 F.O.B. New York, exclusive of exchange taxes and any other taxes or imposts. Our unit price for this order is necessarily a little higher than that for the drafts which we prepared for you in 1953. However, please be assured that the increase reflects only the added costs to us of materials and labor since that time.

We thank you for this renewed expression of confidence in us and assure you that your valued order will have our most careful attention.

Very truly yours,

EXPORT SHIPPING INSTRUCTIONS

To AMERICAN EXPRESS CO. _____, 19____

This Shipment will be accepted by the AMERICAN EXPRESS CO. (hereinafter called "the Company") from the owner, consignee or shipper (hereinafter called "the Sender"), subject to the following terms and conditions.

1. The Company assumes no liability as a carrier, and is not to be held responsible for any loss or damage to the goods to be forwarded, but undertakes only to use reasonable care in the selection of carriers, truckmen, lightermen, forwarders, agents, warehousemen and others to whom it may entrust the goods for transportation, handling and/or storage or otherwise.

2. The Company is authorized to select and engage carriers, truckmen, lightermen, forwarders, agents, warehousemen and others, as required to transport, store, deal with and deliver the goods, all of whom shall be considered the agents of the Sender, and the goods may be entrusted to such agencies subject to all conditions as to limitation of liability for loss or damage, and to all rules, regulations, requirements and conditions, whether printed, written or stamped, appearing in bills of lading, receipts or tariffs issued by such carriers, truckmen, lightermen, forwarders, agents, warehousemen and others.

3. The Company shall under no circumstances be liable for any loss, damage or delay to the said goods or any part thereof, occasioned by act of God, or perils or accidents of the sea or other waters, or of navigation or transportation, or by fire or explosion from any cause, or by theft or pilferage by any person whatsoever, or by restraint of governors, princes, rulers or peoples, or by legal process or stoppage in transit, or by fumigation or other acts or requirements of quarantine or sanitary authorities, or by epidemics, pestilence, riots or rebellion, or by war, or by any of the damages incident to a state of war, or by acts of any person or groups of persons purporting to wage war, or acting as belligerents, or by strikes or stoppage of labor, or negligence of others, by unseaworthiness of any vessel, lighter or other craft whatsoever, or resulting from the navigation thereof, whether existing at the time that the goods are placed on board, or at the beginning of the voyage; or by water, heating or effects of climate, frost, decay, smell, taint, rust, sweat, dampness, mildew, spotting, rain or spray; inherent vice, drainage, leakage, breakage, vermin, improper or insufficient packing, inaccuracies, or obliterations, errors, insufficiency or absence of marks, numbers, address or description of goods, or for breakage of any fragile articles or damage of any materials consisting of or contained in glass or other fragile substances, or for any damage to or resulting from dangerous corrosive, explosive or inflammable goods, even though the true nature thereof has been declared to the Company or for any cause whatsoever.

4. Inasmuch as carriers limit their liability for loss or damage, unless a freight rate based on valuation is made with said carriers, the Company must receive special written instructions from the Sender to pay such higher freight rate based on valuation; otherwise the valuation placed by the Sender on the goods shall be considered as solely for customs purposes, and the goods will be delivered to the carriers, subject to all limitations of liability. Such special written instructions indicating value do not in any manner relate to insurance, which is provided for in Paragraphs No. 5 and No. 6.

5. Marine, fire, theft and other insurance will be effected upon the goods only after special written instructions have been received by the Company, in sufficient time before forwarding the goods, and the Sender at the same time states specifically the amount of insurance to be placed upon the goods, and the kind of insurance desired, insurance premium and charge of the company for arranging the same to be at the Sender's expense. If for any reason the goods are held in warehouse, or elsewhere, the same will not be covered by any insurance, unless the Company receives written instructions from the Sender, in which event the Company will use reasonable efforts to effect the Insurance desired, at Sender's expense. Insurance when ordered by the Sender as referred to herein, is to be effected with one or more insurance companies or other underwriters to be selected by the Company, and such insurance to be governed by the certificate or policy issued and will only be effective when accepted by such insurance companies or other underwriters.

6. Instructions "to insure against all risks" will be construed to mean to insure against ordinary marine risks only, subject to the conditions of the insurance policy under which such insurance is effected. If insurance against any other risks, such as theft, pilferage, leakage, breakage, fresh water damages, ship's sweat, rust, non-delivery, contact with other cargo, or against any other risk is desired by the Sender, then special written instructions must be received by the Company in sufficient time prior to forwarding to effect the same.

7. The Sender represents to and agrees with the Company that the value of the goods does not exceed the sum of $50.00 per package (or the invoice value thereof, if less), and that the compensation of the Company for its services is based upon such valuation. In consideration of such compensation of the Company, the Sender agrees that the Company shall in no event be liable for any loss or damage to the goods, or for any other cause whatsoever, for any amount in excess of $50.00 per package (or the invoice value, if less), and any partial loss or damage for which the Company may be liable shall be adjusted pro rata on the basis of such valuation. The Sender has the option of paying a special compensation to the Company based upon a value in excess of $50.00 per package, in case of any loss or damage from causes which would make the Company liable; but such option can be exercised only by special written agreement made with the Company prior to shipment, which agreement shall indicate the limit of the Company's liability and the special compensation for the particular risks by it to be assumed.

8. In no event shall the Company be liable for any act, omission, or default in connection with the within shipment, unless a claim therefor shall be presented to it at its office in New York within six (6) months from sale of shipment of the goods to the Company, in a statement to which sworn proof of claim shall be attached. No suit to recover for any claim or demand, hereunder shall in any event be maintained against the Company unless instituted within three (3) months after presentation of the said claim as above provided. No agent or employee of the Company shall have authority to alter or waive any of the requirements of this clause.

9. It is agreed that any claim or demand for loss, damage, or delay, or any other cause, shall be only against the carrier, truckmen, lightermen, forwarders, agents, warehousemen or others in whose actual custody the goods may be at the time of such loss, damage or delay, and that the Company shall not be liable or responsible for any claim or demand from any cause whatsoever, unless in each case the damages alleged to have been suffered be proven to be caused by the negligence of the Company, its officers or employees, in which event the limitation of liability set forth in Paragraph No. 7 hereof shall apply.

10. The Company is authorized at its option, to receive bills of lading or receipts, or arrange for the transportation of the goods, either in the name of the Sender or in the name of the Company. If the Sender requires delivery to it of a bill of lading issued by a steamship company or other common carrier covering the within shipment, it must notify the Company to that effect prior to the arrival of the goods at the port from which they are to be shipped. Unless such instructions are so received by the Company, it is agreed that the Company may at its option (but without any obligation so to do) consign the goods in the care of an agent or other forwarder, or other person, company or corporation selected by the Company at the port of arrival or other place, and issue to the Sender the Company's freight receipt, and the Sender hereby accepts and agrees to all of the clauses, terms and conditions appearing in said freight receipt, a specimen copy whereof will be furnished to the Sender upon request.

11. The Company shall not be obligated to incur any expense or advance any money in connection with the forwarding of the goods, unless the same is previously advanced to the Company by the Sender on demand.

12. The Sender agrees to furnish to the Company, prior to the shipment of the goods, proper consular declaration, weights, measures and values, and other information, in the language of and as required by the laws and customs regulations of the country of destination of the goods, failing which the Company will use the best judgment in the compilation of consular invoices and other documents, but it is agreed that the Company shall not be responsible for any loss, fines, confiscation, or damages resulting from any errors, mis-description of the goods, improper weights, or values or from any other cause.

13. The Company shall have a general lien on any property of the Sender in its possession, for all claims for charges and expenses incurred in connection with any shipments of the Sender, and if such claim remains unsatisfied for thirty (30) days after demand for its payment is made, the Company is given the right to sell at public auction or private sale, without notice to the Sender, the goods, wares, and/or merchandise, or so much thereof as may be necessary to satisfy such lien, and apply the net proceeds of such sale to the payment of its charges. The confiscation of the goods by any Government shall not affect the liability of the Sender to the Company in respect to the payment of all charges.

14. In event of the goods being refused at destination or remaining unclaimed at destination or any transshipping point in the course of transit or being returned for any reason, the Sender shall nevertheless pay the Company for all charges and expenses in connection therewith. Nothing herein contained shall obligate the Company to arrange for the return of the goods.

15. Goods forwarded with the Sender's instructions to "Collect on Delivery" (C. O. D.) by drafts or otherwise, or to collect on any specified terms by time draft or otherwise, are only accepted by the Company upon the express understanding that it will exercise reasonable care in the selection of a bank or correspondent to whom it will send such item for collection, and the Company will not be responsible for any act, omission, default, suspension, insolvency or want of care, negligence, or fault of such bank, correspondent, or agent nor for any delay in remittance, loss in exchange, or loss during transmission, or while in the course of collection.

16. The compensation of the Company for its services shall be included with and is in addition to the rates and charges of all carriers and other agencies selected by the Company to transport and deal with the goods. The Company's compensation shall also include all brokerages, commissions, profits and sums received by the Company from carriers, insurers and others in connection with the shipment.

INSTRUCTIONS TO CLAIMANTS

Any loss or damage which may happen to the property insured under this certificate shall be reported as soon as the goods are landed or the loss is known or expected, to the agent of the Insurers located at the port of discharge or disaster (see list below). If there be no such agent at or near such port, such notice shall be given to an accredited representative of the Board of Underwriters of New York. *In case of loss or damage, produce this certificate for said agent's or representative's inspection and request him to hold a survey and issue a certificate stating the cause and extent of the loss or damage.* If there be no agent of the Insurers at the port of discharge or disaster, nor a representative of the Board of Underwriters of New York, certificate of survey should be obtained from Lloyds agent at destination.

After the foregoing formalities have been complied with, the complete documents (survey report, policy, invoice, bill of lading, letter to carrier and latter's reply) should be sent to the Insurer's agents (named below) to enable them to decide as to the liability of the Insurers.

IMPORTANT NOTICE

When cargo is received from the carrier in a damaged condition, or in case of loss by theft, pilferage, non-delivery or negligence (if covered by this insurance) in order to save for yourselves or your underwriters, any rights which you may have against the carrier, it is necessary for you to file notice of claim in writing against the carrier before taking delivery of the goods. Claim in writing must be filed with the carrier as soon as the actual loss or damage is known and a copy thereof and a reply thereto must accompany any claim presented under this insurance certificate, in addition to the usual certificate of loss issued by the Underwriters Agent. Filing claim against carrier will not affect your rights under your insurance certificate.

Dear Sr. Obarrio:

With reference to our recent conversation in Washington, I have looked over our records and found that we have made original and duplicate drafts as well as one group of single checks as follows:

May, 1942	- 50,000	Original	and	duplicate	drafts
December, 1942	- 100,000	Original	and	duplicate	drafts
March 1946	- 100,000	"	"	"	"
January, 1949	- 125,000	"	"	"	"
September, 1953	- 10,000	"	"	"	"
March, 1956	- 30,000	"	"	"	"

In September 1953 we had your order for 125,000 single checks.

As you can see, we have made no checks for you since 1953. We should greatly appreciate hearing from you and the privilege of serving your needs whatever they may be.

It was very good to see you again and I hope that you had a pleasant return to Panamá.

Sincerely yours,

Dear Murray:

Upon my return from my recent trip to the States, I found your letter of the 24th ulto., regarding our conversation in Washington.

We are at present preparing a list of our requirements which we propose to submit to you in the near future.

It was a pleasure for me to see you in Washington, and I hope that when you visit our city again, that you will not hesitate to call on us.

With kindest personal regards, I beg to remain,

Sincerely yours,

Henrique Obarrio

With Mr. Keith I arrived in Panama fom San Jose, Costa Rica expecting to continue on to Bogota via Braniff International Airways inorder to be ready for business on Monday morning. However, our fiends at Braniff booked, confirmed and reconfirmed to us, one of their own flights which unfortunately was not on their schedule!! We experienced a two day delay.

On Monday morning I called with our agent on Henrique Obarrio, President of the Banco Nacional de Panama to present our respects. He seemed pleased to receive this gesture of friendliness and said that in May of this year he would be visiting in New York and would like to call on us at that time. (I suggest a letter to him sometime in the middle of April.) Together we toured the upper floors of the new bank building which was completed about 1½ yeas ago and is ultra modern in every respect. During this tour I mentioned a conversation which had taken place in Washington D.C. during the International Monetary Fund meetings concerning his desire to order checks and drafts and his own statement that he would review the supplies on hand after the first of the year. Todate he has not accomplished this, however he promised to do so promptly and send his requirements to us shortly. (Incidently, I had previously met Sr. Obarrio at these IMF meetings with Mr. Keith and together we had also attended a private dinner party.)

TERMS AND CONDITIONS OF FORWARDING CONTRACT

American Express Company (hereinafter called "the Company") agrees to act as foreign freight forwarding agent with respect to the goods described on the face hereof upon the following terms and conditions, which shall be binding upon the owner, the shipper, the consignee and all other parties to the transaction (hereinafter called collectively "the Sender"):

1(a). The Company acts only as a foreign freight forwarding agent. As such it undertakes only to *arrange* the handling, transportation, storage and insurance of the goods *by others* and the collection *by others* of C.O.D. and other payments, pursuant to instructions of the Sender. The Company shall not be liable as an ocean, rail, truck, lighter, air, express or other carrier, freight forwarder, warehouseman, underwriter, banker or otherwise for any damage or loss suffered by the Sender unless suffered solely as a result of the negligence or other fault of the Company.

1(b). The Company shall not be liable for loss, damage, delay or misdelivery of the goods, even if its own negligence was the sole cause thereof, in excess of the fair market value at U. S. port of the goods affected or five hundred dollars per package, whichever is less. In no event shall the Company be liable in any amount for consequential damages sustained because of loss or damage to or delay or misdelivery of the goods.

2. Unless otherwise specially instructed on the face hereof, the Company may receive bills of lading and other shipping documents and arrange for the transportation of the goods either in the name of the Sender or in the name of the Company.

3. Unless otherwise specially instructed on the face hereof, the Company may accept bills of lading and other shipping documents covering the goods which limit the liability of the issuers thereof and which subject the goods and the handling thereof to other terms and conditions of the issuers. The valuations stated by the Sender on the face hereof shall be considered as stated solely for customs and insurance (if requested) purposes, in the absence of special instructions of the Sender requiring the Company to obtain valued shipping documents.

4. Unless otherwise specially instructed on the face hereof, the Company may designate other foreign freight forwarding agents, including The American Express Company, Inc. and other affiliates of the Company, to provide forwarding services with respect to the goods outside the United States of America and Canada. In such event, agents so designated shall be deemed agents of the Sender pursuant hereto.

5(a). The Company shall not arrange for any insurance on the goods unless instructions to insure are given by the Sender in the space reserved on the face hereof. If such instructions are given, insurance will be arranged with one or more insurance companies or other underwriters to be selected by the Company. Such insurance will be governed by the certificates or policies actually issued, and will be effective only when the risk has been accepted by such insurance companies or underwriters.

5(b). Marine insurance generally does not cover losses resulting from theft, pilferage, breakage, leakage or other special risks. If protection against such hazards is desired it must be specifically requested on the face hereof.

6. The Company may at any time demand that the Sender advance any or all of the expenses of forwarding the goods, including service charges of the Company, and need not incur or pay any expenses until receipt of the advance demanded.

7. The Company shall have a general lien on any property of the Sender under its control for all claims for expenses and service charges incurred in connection with any shipments of the Sender. If any such claim remains unpaid for thirty days after demand is made, the Company may sell the goods, or so much thereof as may be necessary, to satisfy such lien and pay the expenses of the sale, at public auction or private sale, without notice to the Sender, and apply the net proceeds of such sale to the payment of its claims.

8. If the goods or any part thereof are refused at destination, or remain unclaimed at destination or at any transshipping point in the course of transit, or are returned for any reason or are confiscated by any government, the Sender shall nevertheless pay the Company all its expenses and service charges. The Company shall not be obligated to arrange for the return of the goods, or for the delivery of the goods to any point other than the destination as indicated on the face hereof, except by special agreement.

9. The Sender must furnish to the Company, prior to the shipment of the goods, proper consular declarations, weights, measures and values, and other information, in the language, and as required by the laws and customs regulations of the country of destination of the goods. If such material is not furnished, the Company may prepare consular invoices and other documents using such information as it has, but shall not be responsible for any loss, fine, confiscation or damages resulting from errors made in good faith.

10(a). The Sender shall notify the Company of any claim of damage, loss, delay or misdelivery promptly, and in any event within six months from the date of shipment specified on the face hereof. The Company shall not be liable to the Sender for damage, loss, delay or misdelivery even though due to the fault of the Company, unless it has been so notified.

10(b). The Sender may not commence an action against the Company unless it does so within two years after the date of shipment specified on the face hereof. No agent or employee of the Company except an officer thereof shall have the authority to alter or waive any of the requirements of this paragraph. Nothing contained in this paragraph shall be construed to enlarge the liability of the Company.

INSTRUCTIONS TO CLAIMANTS

Any loss or damage which may happen to the property insured under this certificate shall be reported as soon as the goods are landed or the loss is known or expected, to the agent of the Insurers located at the port of discharge or disaster (see list below). If there be no such agent at or near such port, such notice shall be given to an accredited representative of the Board of Underwriters of New York. *In case of loss or damage, produce this certificate for said agent's or representative's inspection and request him to hold a survey and issue a certificate stating the cause and extent of the loss or damage.* If there be no agent of the Insurers at the port of discharge or disaster, nor a representative of the Board of Underwriters of New York, certificate of survey should be obtained from Lloyds agent at destination.

After the foregoing formalities have been complied with, the complete documents (survey report, policy, invoice, bill of lading, letter to carrier and latter's reply) should be sent to the Insurer's agents (named below) to enable them to decide as to the liability of the Insurers.

IMPORTANT NOTICE

When cargo is received from the carrier in a damaged condition, or in case of loss by theft, pilferage, non-delivery or negligence (if covered by this insurance) in order to save for yourselves or your underwriters, any rights which you may have against the carrier, it is necessary for you to file notice of claim in writing against the carrier before taking delivery of the goods. Claim in writing must be filed with the carrier as soon as the actual loss or damage is known and a copy thereof and a reply thereto must accompany any claim presented under this insurance certificate, in addition to the usual certificate of loss issued by the Underwriters Agent. Filing claim against carrier will not affect your rights under your insurance certificate.

Dear Miss Ehrman:

Upon reviewing our correspondence, we find that the above Bank placed its last order for single checks on February 17th, 1958, for 100,000 units. The order previous to this was placed in September 1953, for 125,000.

We wonder, now that some time has passed, if they might not be in need of an additional supply.

Dear Mr. Beckett:

Please refer to your letter of February 18, 1960.

I have approached Mr. Eugenio Barrera, Manager of the Banco Nacional de Panama Branch, who is in charge of distribution of these checks among the other Branches of the Bank in Panama City, the Interior of Panama as well as the main office, he advises that he still has agood supply on hand that should last thru the year.

With the many Branches that the Banco Nacional de Panama now operates in the Republic, their volume of business has increased considerably. It is hoped therefore that an order will be placed for 1961.

I will contact Manager Barrera the latter part of this year expecting that he will then be ready to give us a new order.

Printing of pocket checks in the amount of.....200.000 checks.

MODEL Nº2
Printing of Customers' checks, shbets of 3 checks, 120.000 sheets.

Model Nº3
Printing of Customers' check books..... 250 books.

These orders will last the Bank from six to seven months, so they are usually placed twice a year. With the supply now on hand, the order for pocket checks and sheets of 3 customers' checks will have to be placed immediately. The customers' check book to be placed at the beginning of 1961.

Paper to be used and design should be just like models supplied; any small changes wich will not affect the general appearance of the check will be acceptable.

Please quote at your convenience prices on each of these three items and time it will take to have each order ready for shipment to Panama. I learned in a confidential way, that Todd, now supplying the Bank with these checks, takes from 3 to 4 months to ship.

The Bank is also interested to know if the Company will sell sheets size 28 x 40-1/2 inches of this same kind of paper and if so, price on

50 reams and 100 reams.

This paper is to be used to print checks locally for distribution in the different Branches of the Banco Nacional located in the Interior of Panama.

All prices quoted should be CIF Panama.

Very truly yours,

Elena Ehrman

Mr. William T. Distler, Manager

We are planning to submit a quotation to the above Bank on the preparation of checks and should like to have the best possible delivery program for the following quantities:

200,000 pocket checks, unbound, size 6" x 2-3/4" plus 2-3/8" for record and binding stub.

384,750 customers' checks, size 8-1/4" x 3" plus 5-3/8" for record and binding stub.

NOTE: Of this quantity, 24,750 checks are to be bound, 3 deep, in 250 flush cut books consisting of 33 pages each. The remaining are to be delivered in sheets 3 deep.

We contemplate using the same litho engravings of both the seal and title from the O & D Drafts previously prepared under order FC-16. In addition, a stock panto design will be used to show light horizontal lines. A new litho engraving of the Bank's new building must be prepared for use in the underlying tint.

Dear Miss Ehrman:

Thank you very much for your letter of July 2, 1960, and its enclosures. Since this business is of definite interest to us we shall begin immediately to prepare our quotations which will be sent to you for personal presentation.

We have taken note that the designs are to be the same as those checks currently in use, with only minor variations permitted. We have certain materials on hand with which we believe we can accomplish this objective yet still employ our superior quality of workmanship.

With respect to our furnishing sheets of unprinted check paper to the Bank, for its local printing and branch distribution, we do not offer, as we are sure you know, this service, since for reasons of security this would be contrary to our long established policy.

Very truly yours,

Vice President

Dear Miss Ehrman:

With reference to our letter of July 6th, we are now pleased to present our quotation for furnishing a total of 584,750 checks in the manner as described below:

Model No. 1

For 200,000 single, unbound, pocket checks
$1,135.00 U.S. cy. C.I.F. Panamá

Model No. 2

For 120,000 sheets of customers' checks, 3 deep (total of 360,000 checks)
$2,225.00 U.S. cy. C.I.F. Panamá

Model No. 3 (to be ordered separately at the beginning of 1961)

For 250 bound, customers' check books, 33 pages each, 3 checks per page (total of 24,750 checks)
$585.00 U.S. cy. C.I.F. Panamá.

Note: These quotations are, as usual, exclusive of exchange taxes and any other taxes or imposts. They also include your normal 5% commission.

Since items Nos. 2 and 3 are to be exactly the same, with respect to the checks themselves, we feel that the Bank may wish to place its order for check books now, along with the other items, thereby effecting a savings. This would be preferable to leaving it for a separate order later on, as we would be spared an additional operation and can pass this saving on to the Bank now.

Accordingly, we submit a further quotation which consists of a combination of items 2 and 3 as follows:

For 384,750 checks (24,750 to be bound in book form - 250 books)
$2,500.00 U.S. cy. C.I.F. Panamá.

As regards delivery, we could ship this entire order six weeks after the Bank's approval of our proofs.

Should we be favored with this business, we contemplate providing a check similar in design to that which is now being used. For modeling purposes we would require an exact black and white photograph of the Bank's building as it now appears on their checks. For commercial work of this type we use Crane's Duo-Safe Paper which is specially manufactured for us.

Upon the application of ink eradicators this paper, which is highly sensitive, stains a dark brown at the point of contact and not only destroys the underlying tint, but makes reparation completely impossible.

Since, as we have previously stated, this business is of definite interest to us, we have made a real effort to cooperate with the Bank as regards price and delivery. Please be assured of our very best wishes for your success with these quotations.

Gentlemen:

Immediately on receipt of your letter of July 18th, No. 8718, we entered your order for 125,000 single checks, the same in all respects as those which we last prepared for you. Shortly thereafter we were advised by Miss Elena Ehrman, our representative in your city, of your request for a change in the position of the words "la suma de." We also received the patched specimen given her, illustrating the alteration desired. Your instructions were received in time for us to effect the change in the order and to proceed with the necessary preparatory work.

Our price for these checks, including the above mentioned alteration, is U.S.$1,430., F.O.B. New York, exclusive of exchange taxes and any other taxes or imposts, which we trust you will find entirely satisfactory.

We are now going into the matter of delivery and expect to advise you of the date very shortly.

Please accept our thanks for this renewed expression of confidence in us and be assured that your order will have our most careful attention, as always.

Dear Sr. Vega:

I confirm our conversation of some days ago, with regard to prices which ABNCo. quotes on the following:

No. 1	Loose checks	200,000	$1,135.00
No. 2	120,000 sheets of check (3 on each sheet)	360,000	2,225.00
No. 3	250 books of checks, 33 pages each book, each page 3 checks	24,750	585.00
	Total number of checks.....	584,750	$3,945.00

All prices CIF Panama, exclusive of taxes or any expense which may be incurred once the order reaches the Panamá Customs.

The total order can be ready for shipment six weeks after receipt of the approved check model which the Company supplies.

If the order is placed jointly for all the checks listed above instead of waiting until 1961 to order the books which contain 99 checks each, the Company offers for No. 2 and No. 3 a global price of $2,500.00 instead of $2,810.00, a difference of $310.00 which the Bank would save.

The Company desires a black and white photograph of the Bank building which appears on the checks.

The paper used is Crane's Duo-Safe, especially prepared for ABNCo.

Awaiting your kind orders, I remain, etc.,

Confirmo nuestra conversación de hace unos días, respecto a precios que cotiza la A.B.N.Co. sobre lo siguiente:

Nº1	Cheques sueltos	200.000	$1.135.oo
Nº2	120.000 hojas de cheques (3 en cada hoja)	360.000	2.225.oo
Nº3	250 libres de cheques, 33 páginas cada libro, cada página 3 cheques,	24.750	585.oo
	Nº total de cheques.....	584.750	$3.945.oo

Todos los precios CIF Panama, exclusive de impuestos ó cualquier gasto que se incurra una vez que el pedido llega a la Aduana de Panamá.

La orden total puede estar lista para su embarque seis semanas después de recibirse aprobado el modelo de cheque que suministre la Compañía.

Si la orden se hace conjuntamente por todos los cheques arriba detallados en vez de esperar hasta 1961 para ordenar los libros que contienen 99 cheques cada uno, la Compañía ofrece por el Nº2 y Nº3 un precio global de $2.500.oo en vez de $2.810.oo, una diferencia de $310.oo que se ahorraría el Banco.

La Compañía desea una fotografía en blanco y negro del edificio del Banco que aparece en los cheques.

El papel que se usa es Crane's Duo-Safe, preparado especialmente para la American Bank Note Company.

TERMS AND CONDITIONS OF FORWARDING CONTRACT

American Express Company (hereinafter called "the Company") agrees to act as foreign freight forwarding agent with respect to the goods described on the face hereof upon the following terms and conditions, which shall be binding upon the owner, the shipper, the consignee and all other parties to the transaction (hereinafter called collectively "the Sender"):

1(a). The Company acts only as a foreign freight forwarding agent. As such it undertakes only to *arrange* the handling, transportation, storage and insurance of the goods *by others* and the collection *by others* of C.O.D. and other payments, pursuant to instructions of the Sender. The Company shall not be liable as an ocean, rail, truck, lighter, air, express or other carrier, freight forwarder, warehouseman, underwriter, banker or otherwise for any damage or loss suffered by the Sender unless suffered solely as a result of the negligence or other fault of the Company.

1(b). The Company shall not be liable for loss, damage, delay or misdelivery of the goods, even if its own negligence was the sole cause thereof, in excess of the fair market value at U. S. port of the goods affected or five hundred dollars per package, whichever is less. In no event shall the Company be liable in any amount for consequential damages sustained because of loss or damage to or delay or misdelivery of the goods.

2. Unless otherwise specially instructed on the face hereof, the Company may receive bills of lading and other shipping documents and arrange for the transportation of the goods either in the name of the Sender or in the name of the Company.

3. Unless otherwise specially instructed on the face hereof, the Company may accept bills of lading and other shipping documents covering the goods which limit the liability of the issuers thereof and which subject the goods and the handling thereof to other terms and conditions of the issuers. The valuations stated by the Sender on the face hereof shall be considered as stated solely for customs and insurance (if requested) purposes, in the absence of special instructions of the Sender requiring the Company to obtain valued shipping documents.

4. Unless otherwise specially instructed on the face hereof, the Company may designate other foreign freight forwarding agents, including The American Express Company, Inc. and other affiliates of the Company, to provide forwarding services with respect to the goods outside the United States of America and Canada. In such event, agents so designated shall be deemed agents of the Sender pursuant hereto.

5(a). The Company shall not arrange for any insurance on the goods unless instructions to insure are given by the Sender in the space reserved on the face hereof. If such instructions are given, insurance will be arranged with one or more insurance companies or other underwriters to be selected by the Company. Such insurance will be governed by the certificates or policies actually issued, and will be effective only when the risk has been accepted by such insurance companies or underwriters.

5(b). Marine insurance generally does not cover losses resulting from theft, pilferage, breakage, leakage or other special risks. If protection against such hazards is desired it must be specifically requested on the face hereof.

6. The Company may at any time demand that the Sender advance any or all of the expenses of forwarding the goods, including service charges of the Company, and need not incur or pay any expenses until receipt of the advance demanded.

7. The Company shall have a general lien on any property of the Sender under its control for all claims for expenses and service charges incurred in connection with any shipments of the Sender. If any such claim remains unpaid for thirty days after demand is made, the Company may sell the goods, or so much thereof as may be necessary, to satisfy such lien and pay the expenses of the sale, at public auction or private sale, without notice to the Sender, and apply the net proceeds of such sale to the payment of its claims.

8. If the goods or any part thereof are refused at destination, or remain unclaimed at destination or at any transshipping point in the course of transit, or are returned for any reason or are confiscated by any government, the Sender shall nevertheless pay the Company all its expenses and service charges. The Company shall not be obligated to arrange for the return of the goods, or for the delivery of the goods to any point other than the destination as indicated on the face hereof, except by special agreement.

9. The Sender must furnish to the Company prior to the shipment of the goods, proper consular declarations, weights, measures and values, and other information, in the language, and as required by the laws and customs regulations of the country of destination of the goods. If such material is not furnished, the Company may prepare consular invoices and other documents using such information as it has, but shall not be responsible for any loss, fine, confiscation or damages resulting from errors made in good faith.

10(a). The Sender shall notify the Company of any claim of damage, loss, delay or misdelivery promptly, and in any event within six months from the date of shipment specified on the face hereof. The Company shall not be liable to the Sender for damage, loss, delay or misdelivery even though due to the fault of the Company, unless it has been so notified.

10(b). The Sender may not commence an action against the Company unless it does so within two years after the date of shipments specified on the face hereof. No agent or employee of the Company except an officer thereof shall have the authority to alter or waive any of the requirements of this paragraph. Nothing contained in this paragraph shall be construed to enlarge the liability of the Company.

INSTRUCTIONS TO CLAIMANTS

Any loss or damage which may happen to the property insured under this certificate shall be reported as soon as the goods are landed or the loss is known or expected, to the agent of the Insurers located at the port of discharge or disaster (see list below). If there be no such agent at or near such port, such notice shall be given to an accredited representative of the American Institute of Marine Underwriters. *In case of loss or damage, produce this certificate for said agent's or representative's inspection and request him to hold a survey and issue a certificate stating the cause and extent of the loss or damage.* If there be no agent of the Insurers at the port of discharge or disaster, nor a representative of the American Institute of Marine Underwriters, certificate of survey should be obtained from Lloyds agent at destination.

After the foregoing formalities have been complied with, the complete documents (survey report, policy, invoice, bill of lading, letter to carrier and latter's reply) should be sent to the Insurer's agents (named below) to enable them to decide as to the liability of the Insurers.

IMPORTANT NOTICE

When cargo is received from the carrier in a damaged condition, or in case of loss by theft, pilferage, non-delivery or negligence (if covered by this insurance) in order to save for yourselves or your underwriters, any rights which you may have against the carrier, it is necessary for you to file notice of claim in writing against the carrier before taking delivery of the goods. Claim in writing must be filed with the carrier as soon as the actual loss or damage is known and a copy thereof and a reply thereto must accompany any claim presented under this insurance certificate, in addition to the usual certificate of loss issued by the Underwriters Agent. Filing claim against carrier will not affect your rights under your insurance certificate.

NOTHING FOR FILING

Dear Ruti:

I have your letter of November 29 and enclose herewith mail which has arrived here during your absence.

Also, I should like to refer to our bill to the Banco Nacional de Panamá which was rendered on September 19, 1960, for the sum of $1,576.71, U.S. cy., and has not been paid as yet. I mention this because we are about to send the Bank a second statement on this matter and wonder if you could do anything on our behalf to speed up their remittance.

Betty and I hope to see you sometime before your departure from New York.

Best regards,

Owen

P.S. Ruti, the above invoice was for the bank drafts which we made for the Banco Nacional.
